Volume 10, Issue 2 December 2019

Dear FABM Family:

The Board continues to lift you in prayer as you lead in your individual music ministry.

We pray that you had a blessed time at Thanksgiving,
That you will be healthy and strong through Advent,
And that your Christmas celebrations will be full of God's love through the gift of his son, Jesus Christ.

As most of you already know, we are no longer asking you for a membership fee in 2020. However, we need your support now as much as ever and you will be receiving information in the mail the end of this year to give you more details. Basically, we are asking you to become a Patron of "The Fellowship of American Baptist Musicians". There are many ways to do that. You could provide the specific costs of a clinician. We support them with an honorarium, travel, room, and board. This varies each year based on how far they travel and how long they are with us. The most expensive clinician is the Organist and it will cost up to \$7,500 which include an organ rental.

- * You could provide the gift to pay for the handbell transportation.
- * You could pay for the cost of printing the BOI's.
- * You could help pay for the cost of running our office.

We are grateful for many of you who have sponsored a coffee break, a special celebration during the week, communion, etc.
